

Ferdinand Hahn

Studien zum Neuen Testament

Band I: Grundsatzfragen, Jesusforschung, Evangelien Edited by Jörg Frey and Juliane Schlegel

As a complement to Ferdinand Hahn's *Theology of the New Testament*, these two volumes present 70 detailed studies which were written over a period of more than 30 years in preparation of this work. The articles cover the whole field of New Testament scholarship, from research on Jesus, Pauline theology and the Gospels to the late traditions of the New Testament. They offer detailed analyses of texts and theological issues, representing a thoroughly theological view of the New Testament. Vol. II contains a comprehensive bibliography of the author's writings and detailed indexes.

Jörg Frey Born 1962; 1996 Dr. theol.; 1998 habil.; 2024 Dr h. c.; Professor of New Testament in the Faculty of Theology and Religious Studies at the University of Zurich, Switzerland.
