Collected Essays on the Gospel According to Mark

[Collected Essays on the Gospel According to Mark]

Published in English.

This volume presents essays by Adela Yarbro Collins on the Gospel of Mark originally published between 1993 and 2021. The earlier ones were written while preparing to write the *Hermeneia* commentary on Mark, published in 2007. The later ones reflect the author's continuing interest in the interpretation of this Gospel. Major foci of the collection are the genre of Mark and of the passion narrative, and the meaning of the death of Jesus. She approaches the portrayal of Jesus in Mark by analyzing a particularly striking miracle-story, the walking on the water; the title Son of God; Jesus's action in the temple; the messianic secret; and particular aspects of Jesus's Jewishness. Another important topic is the significance of the empty tomb, that is, how the author of Mark envisioned the resurrected life of Jesus. Clues to this are found in the cultural contexts in which the Gospel was written.

Adela Yarbro Collins Born 1945; 1991-2000 Professor of New Testament, and Chair, Department of New Testament and Early Christian Literature, University of Chicago; since 2000 Buckingham Professor of New Testament Criticism and Interpretation, Yale University Divinity School, New Haven, CT.
