

Europäische Perspektiven des Geistigen Eigentums

Edited by Matthias Leistner

European intellectual property law is faced with fundamental problems. Current plans for reform are seeking timely solutions. In this volume, edited by Matthias Leistner, the authors deal with a selection of issues in which intellectual property law in its traditional form has reached its limits.

Matthias Leistner ist Inhaber des Lehrstuhls für Bürgerliches Recht und Recht des Geistigen Eigentums mit Informations- und IT-Recht (GRUR-Lehrstuhl) an der LMU München.
