

Natassa Athanasiadou

Der Verwaltungsvertrag im EU-Recht

The subject of Natasa Athanasiadou's comparative study is the administrative contract in the national legal orders of Germany, France and England as well as its use by the EU administration. Through the direct or indirect influence of EU administrative law, and in particular public procurement and state aid law, these four contract models are gradually harmonising and are beginning to display some common structural characteristics.

Natassa Athanasiadou Geboren 1986; Studium der Rechtswissenschaften in Thessaloniki, Berlin und Heidelberg; 2016 Promotion (Heidelberg); seit 2010 zugelassene Rechtsanwältin in Thessaloniki; seit 2015 Juristin an der Europäischen Kommission.
