Jesus as the Way to the Father in the Gospel of John

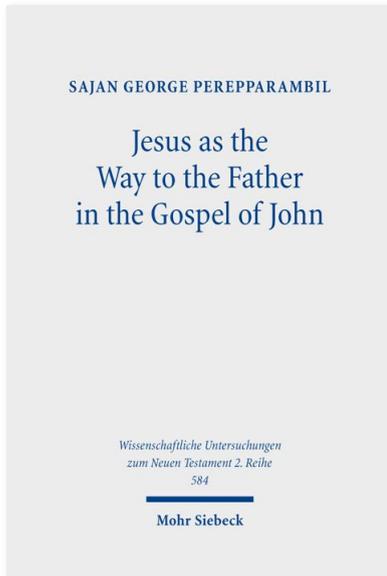

A Study of the Way Motif and John 14,6 in Its Context

[Jesus as the Way to the Father in the Gospel of John]

Published in English.

The Christological exclusivism of John 14,6 has made it a tough row for scholars to hoe and gain yield from in theological discussions. Sajan George Perepparambil argues that this text is not a problem to be solved, but rather a mystery to be understood, best done by interpreting it with John himself or by thinking it through in the context of John's Gospel itself. Using intra-textual connections to pinpoint the intertextuality of the text and interpreting it in its conceptual, literary, and historical contexts, the author provides a new perspective with particular consideration of the way motif.

Sajan George Perepparambil Catholic priest, Manjummel Province of the Order of the Discalced Carmelites (OCD); 2012 Mag. Theol. and 2018 PhD in Biblical Studies, University of Vienna, Austria; currently professor of Bible at Jyotir Bhavan, Institute of Theology and Spirituality, Kalamassery, Kerala. <https://orcid.org/0000-0003-1088-5781>
