

Katharina von Koppenfels-Spies

Sozialrecht

This textbook deals with the whole spectrum of social security legislation. The focus throughout is on paving the way to a comprehensive understanding of the system by examining the backgrounds to and objectives of the regulations. Diagrams, exercises, ways to solve cases, plus questions for revising learned material further complement the content, and make this indispensable textbook a particularly valuable aid for exam preparation. This edition has been completely revised and updated.

Katharina von Koppenfels-Spies Geboren 1972; Studium der Rechtswissenschaften an der Universität Münster und der Université de Poitiers; 1998 Promotion; 2005 Habilitation; Direktorin des Instituts für Wirtschaftsrecht, Arbeits- und Sozialrecht, Abteilung III Sozialrecht, an der Albert-Ludwigs-Universität Freiburg.

2nd completely up-dated edition; 2024.
XXXI, 508 pages
