

Apokalyptik

Edited by Stefan Beyerle

Apocalypticism is a phenomenon of crisis. While in colloquial speech an apocalypse denotes chaos and catastrophe, in religious sources, especially from antiquity and the Middle Ages, the apocalyptic rhetoric intends to overcome catastrophes. This volume contributes to the religious, cultural, and political dimensions of apocalypticism.

Stefan Beyerle Geboren 1964; 1997 Promotion; 2001 Habilitation; 2008 Ordination; Professor für Hebräische Bibel an der Theologischen Fakultät der Universität Greifswald.
