eBook PDF 49,00 €

ISBN 978-3-16-150585-0
sewn paper 49,00 €

Published in German.

Apart from the customary update of the literature and the addition of »New Institutional Economics of Finance,« the fourth edition also provides an important clarification: The new institutional economics is fundamentally different from a microeconomics supplemented by transaction costs. It is a new way of thinking, which includes not only the frequently quoted transaction costs but also the facts of incomplete foresight and bounded rationality.
